

iOCBC Securities is a brokerage which actively targets the young investors market, with initiatives such as the “Young Investor Pack”. It has now upped the ante, with mobile trading on the iPhone, which works very well for the most part.

The “iOCBC TradeMobile” application can be downloaded free-of-charge from the Apple AppStore, The user name and password are the same as those used to log into the regular iOCBC Internet Trading portal.

Positives

- **Interface.** The TradeMobile interface is intuitive and speedy. Upon logging in, the first screen that greets you is the market top-volume screen. There are five main navigational icons at the bottom of the screen: “Top 20”, “Watchlist”, “Trading”, “Indices” & “More”. Tapping on “More” brings you to a screen that lets you change your password or log out of TradeMobile .
